PROFILE

I was born on March 19, 2003. I am a diligent, eager to learn, and cautious individual who constantly strives for self-improvement. Additionally, I adapt easily to new environments and am always ready to embrace challenges. My B1 VSTEP English proficiency enables me to communicate, discuss, and comprehend specialized materials at a basic level. I thrive in teamwork and am always keen to apply my knowledge to real-world situations to create effective technological solutions.
